Celebrating
the
GOLDEN
ANNIVERSARY

FOREWORD

On this, the golden anniversary of our school, the Class of 1956 presents to Kimberley a written and pictorial record of her past, present, and future.

The "past" section of this yearbook honors those people who have given untiringly of their time, devotion, and support to found and to contribute to the school of which we are so lucky to be a part.

The Senior Class is the "present" in **Kimberleaves** 1956. Our Senior year depicted in the opening section is a memory we shall always cherish.

Also in these pages stands the "future" personified by the undergraduates. With these girls lie the future of Kimberley and the thrill of enviable years still to come in Kimberley's well-loved surroundings.

DEDICATION

Fiftieth Anniversary

We, the class of nineteen fifty-six, dedicate this, our yearbook, to The Kimberley School —past, present, and future. Here we have lived, laughed, and learned. Now as we depart through the door we have so often entered, we leave to our school on its golden anniversary our gratitude and our memories.

PRESENT SENIORS

Front row, left to right: Rodman, Barkley, de Vausney (president), Bever, Kaplan, Sommer. Second row: Hedges, L. Cole, Zabriskie, Hasbrouck, Crawford, Bond, Prescott, King, Mott, Cornell. Absent: de Jurenev, Englander, Weisser.

SENIOR CLASS

Labor, Amicitia, Inspiratio: these symbolic words have linked the ever-growing chain of school experiences for the graduating class of nineteen hundred and fifty-six. Every member of the class may have drawn a different meaning from each word, but it is the spirit of the three words combined that has gone into making this, our final year at Kimberley, one of the most memorable.

Looking back over the activities of the year, we realize that all those uncertainties experienced during the hours of hard work in preparation for the dreaded College Board day in March seem only a hazy recollection. Now we recall all the happy times spent working together for our parts in the different school functions.

What would we have done without the artistic abilities of Jane G., Gill, Molla, and Anne K.? Remember Esther's triumphs in the chem.lab? By using the various talents of many class members, we kept a wealth of possibilities available for mixers, conferences, and musical productions. With Lilla and Sue armed with their cameras for all major events, plus the singing talent of the thirteen Aragnaks" (all members of the Senior Class), and

Class Officers

Front row, left to right: Cooper, treasurer; de-Vausney, president; Van Brunt, Student Council. Second row: Barnard, assistant-treasurer; Lovell, vice-president; Bever, secretary.

Front row, left to right: Emetaz, Cooper, Lovell (vice-president), Barnard, Martell, Wood. Second row: Goodwillie, Lindeman, Merritt, Clark, Van Vleck, Crook, Van Brunt, Nelson, Brisbane, Schou, S. Smith, Beatty.

with Sally Bever at the piano, we were ready for almost any occasion.

To catch us at our best, it would have been necessary to sit in at one of our busy but amusing class meetings. Carol B. can almost still be heard making those plaintive pleas for class dues while Carol V. B. told us of Student Council activities. Joanne and Kay could always be counted on for an entertaining remark, and with Meredyth's infectious laughter, there was never a dull moment. Nini, Janet, and Joan, with their eloquent loquacity, made lively class discussions inevitable.

Who could forget Judy M.'s poetry reading, Shirley's plans for June, or Julia's friendly smile? With Tanya, our champion equestrienne, Jane B., our authority on the South, and the friendly rivals, Jane C., Julie, and Betsy H., the Senior Class was complete.

Here we are at the end of our high school life and ready now for the next step in the building of our educational background. Labor, Amicitia, Inspiratio: upon these words we have built our career at Kimberley. Let their symbol be our incentive always.

CLASS WILL

I, Jane Barkley, will Sally Young's, Susan Dear's, Paula Brown's, Fluffy Fergusson's, and Barbie Ives's baggy green sweater to Judy Slifkin.

I, Carol Barnard, will my "shining" ability to "star" in a "galaxy" of activities to Connie Hay.

I, Betsy Beatty, will my Yankee (?) sympathies to Mrs. Moore.

We, Sally Bever and Joan Englander, will the bass section of the side gallery to Drika Agnew.

I, Sally Bond, will my ability to resist temptation to Judy Goldfarb.

I, Gill Brisbane, will my ability to get a seat on the 29 bus to Joan Keller.

I, Meredyth Clark, will my ability to make subtle faux-pas to Thelma Miller.

I, Linda Cole, will my love for the South to Martha Beery.

I, Carol Cooper, will my ability always to be elected to financial offices to Georgia Sherman.

I, Nancy Cornell, will my ability for getting to school late to Sally Dennison.

We, Jane Crawford and Julie Hedges, will our fabulous rock collection to Miss Brock,

I, Sue Crook, will my "penchant" for Judy Goldfarb's recess delicacies to Roberta Broads.

I, Nini de Jurenev, will my fingernails to anyone who wants them.

I, Ann de Vausney, will my seat in Araganaks to Lynne Kenny.

I, Lilla Emetaz, will my tan to Banylou Mearin.

I, Janie Goodwillie, will my "faulty mechanics", (in high hopes that she will correct them), to Mrs. Dawson.

I, Betsy Hasbrouck, will Room 330 to Von Nary.

I, Molla Kaplan, will my superior ability on the hockey field to Kathy Kirsheman.

I, Ann King, will the congenial company of Miss Van and the fun of cleaning out the paint pot to Barbara Hughes.

I, Judy Lindeman, will the Mantoloking house on July 4 to Joan Wallace.

I, Linda Lovell, will the extra place in the parking lot to the girl who can get there first.

I, Judy Martell, will my ability to fold bandages at Mountainside to Cathy McCrane.

I, Kay Merritt, will our daily conversation about Mac and Gwynne to Martha McKenzie.

I, Esther Mott, will the hair-raising rides to Brookside School to Marilyn Leet.

I, Henny Nelson, will my mud guards for future hockey games to Jean Bonnell.

I, Nancy Prescott, will my outstanding athletic ability to next year's varsities.

I, Janet Rodman, will the results of our first experiments with the cigarette to Joan Krebs.

I, Julia Schou, will my ability as an equestrienne to Bama McNeil.

I, Shirley Smith, will a pool full of warm water to the Water Ballet.

I, Connie Sommer, will the privilege (?) of being the first taxi driver of the class to Joanne Rowland.

I, Carol Van Brunt, will a slightly messy note book to the next Dramatic Club secretary.

I, Carolyn Van Vleck, will my inferiority complex to Peggy Myers.

I, Joanne Weisser, will my excellent biology test marks to any future senior biologists.

I, Tanya Wood, will the mirror in the Kimberley girls' room to Linda Lee Baldanzi.

I, Gail Zabriskie, will my pony tail to Joanne Davisson.

FUTURE CLASSES

JUNIOR CLASS

If a diary of the Junior Class were to be unearthed, its myriad volumes would contain all the humorous and serious moments of the busiest, most fun-packed year to date. Answers to all pertinent questions would be found within its covers.

From the first morning that we assembled for roll-call and found that we were twenty-seven strong, we have been making announcements. Marty begged in her southern drawl for books for the Karnival. Lynne called meetings of the **Kourier** staff. Joan K. announced class meetings in 202, and Kathy K. pleaded for her lost hockey stick.

Connie, Jean, Peggy, and Wally proved invaluable to us in the field of athletics. Remember Thelma's surprise party and the hockey movies?

Fall Frolics, with Martha as narrator, brought us a first prize. Will you ever forget Bobbi as the

skeleton and Sally and Joanie cheering themselves hoarse? Then we racked our brains for Class Day.

Lunchtime always found Judy S. eating her salad and Judy G. selling Student Council pastries (yet she stayed so slim!). Cathy M. wrote her famed "Paper Clips." Drika and Georgia pasted ads on dummy sheets. Von and Linda used up flashbulbs by the score, and Barbie drew cartoons and posters.

Marilyn represented us in the K.A. play, Joanne D. was on the Library Committee. Bama and Banylou were two of our biology bugs, and Joanne R. was the first one to drive.

Our first S.A.T.'s and source themes were finally surmounted, and we left school with class rings on our fingers, the summer ahead, and the best year ever behind.

Joan Keller

SOPHOMORE CLASS

Increasing our numbers from sixteen to twenty-seven, many girls joined us from various schools to start off our Sophomore year. Fall Frolics provided our first real chance for everybody to learn to know everybody else and discover each other's talents. After much hard work and a lot of fun we were awarded honorable mention for our skit; this award made us very happy.

Before we could say, "Rabbit," the Father-Daughter Dinner descended upon us, and we were, once again, lost in feverish activity. Everyone pitched in with great gusto and helped to make our "Evening in Paris" a success.

A busy fall was had by all; we had no sooner finished with the Father-Daughter Dinner than we came face to face with the Karnival. The Sophomores were in charge of the Cake Sale, the Tea

Room, and the Snack Bar. We thoroughly enjoyed working on these projects.

Having added many new members to our already established "pros," we had a wonderful time participating in hockey, basketball, bowling, and volleyball. Many of our class athletes made these teams, and five girls from our class made the Water Ballet.

Some of our more dramatically inclined members were in the two Kimberley-Academy plays in December and April.

To climax our first year in the Senior High, we attended the Spring Prom—our first one at Kimberley, and everybody really had a wonderful time.

We've had a terrific Sophomore year; yet we do not leave it behind sadly, for we are eagerly anticipating our Junior year at Kimberley School.

FRESHMAN CLASS

We started this year off 28 strong after **13** new girls, (Mary Francisco, Karen Drehman, Janet Churchill, Mary Jane Miller, Bonnie Bell, Polly Bartholomew, Bebe Beard, Judy McConnell, Lily Solmssen, Phyllis Gilman, Olivia Sala, Connie Rogers, and Leah Fitzhugh), joined us.

It seemed as though we had scarcely gotten settled in the study hall before Fall Frolics was upon us. Although we did not win, we had a lot of fun, and we will never forget our one famous booboo!

Then, somehow, before we realized it, Thanksgiving, Christmas, the "Karnival," and even Midyears were forgotten and it was almost spring. We will always remember our Cruise Dance, the Junior High Poetry Contest, the annual Water Ballet (this year there were **six** ninth graders in it!), May Day, and how could we ever forget our Dramatic Club plays, or the debut of our singing group at the spring festival or Miss Renz our advisor, (but we will see her next year in geometry). In spite of all these things we leave the Junior High in the hands of next year's ninth grade and go on to the Senior High with no regrets!

EIGHTH GRADE

With a total of twenty-one girls the eighth grade is the smallest class in the Junior High. In spite of this fact we started the year off with a bang. Under the guidance of our adviser, Miss Bosshard, we were awarded an honorable mention for our Fall Frolic skit **Cheaper by the Dozen.** In October Troop 12 of the Montclair Boy Scouts joined us at Kimberley for a picnic, followed by bowling.

The eighth grade participated in the traditional Vespers, and it was a little less confusing to most of us the second time.

Now we are thinking toward the future and being next year's ninth grade.

SEVENTH GRADE

Class Officers

We came into Kimberley School this fall with six old and fourteen new girls. By the middle of the year two additional girls had joined us, making the class twenty-two in number.

We had a wonderful time at a delightful party which the Seniors gave for us. As our Fall Frolics play, we pantomimed **The Wizard of Oz,** which Miss Renz helped us put together. Then came the Father-Daughter Dinner which was a new, enjoyable experience for us.

We are enjoying the new pleasures of the Upper School very much.

Sarah Mahler

Front row, left to right: Shinefield, Thompson, Travis, Gambert, Finkleman, M. Lund, Whittle (chairman). Second row: Sage, Cullen, Pumphrey, Bethell, Ackerman, Riley, Mahler (president). Third row: A. Francisco, Maurice, Cameron, Haines. Absent: Harrison, Harding, Madden, Underhill.

LOWER SCHOOL

The Lower School grew right out of its old quarters this year and had to have an additional room to take care of its forty-three girls.

The sixth grade has done a very fine job of planning parties and helping with trips to the Newark Museum, the Montclair Library and the Edison Museum.

All the Lower School girls participated in the lovely Christmas program given in the gymnasium. The operetta in the spring made use of the fine talents of all the girls.

A highlight of the outside activities for the year was the Mother-Daughter Cook-Out which saw the mothers, pupils, and teachers cooking hamburgers and hot dogs on the school out-door oven and enjoying a wonderful time together.

STUDENT COUNCIL

Composed of elected representatives and presidents of grades ten through twelve, heads of various organizations, representatives of the Junior High, and the officers, the Student Council is the governing body of the school. The aim of the Council is to promote friendship and cooperation among the students and among faculty and pupils, and to see that each girl learns to follow and respect the school regulations. Another main objective this year has been to strengthen our Honor System established two years ago. We have initiated a numerical system which the Council and students consider to be a more just disciplinary mode of procedure than the former one, the black list.

We are happy to say that this year the Council has added a great deal to its bank balance! Food was sold during recess and lunch, and Kimberley pens, banners, and other supplies were sold at the Student Council Booth at the Kimberley Karnival and throughout the year.

Among the school programs sponsored by our Student Council were the New Girls' Tea, a Name Contest, social activities for various classes, Fall Frolics, the Father-Daughter Dinner, and the Senior High Spring Prom.

We of the Council wish to take this opportunity to express our thanks and appreciation to Miss Spurr, the faculty, and the student body for their enthusiastic support in working with the Student Council for the benefit of our school in this, Kimberley's fiftieth year.

Meeting of the Chest

THE CHEST

The Kimberley Chest is responsible for raising money which is donated to many charities both in this country and abroad. Our funds are derived through the proceeds of the Kimberley Karnival.

This year the Chest has been expanded to include the Red Cross. A vice-president was elected to be in charge of the Red Cross activities, which comprised the membership drive and filling Red Cross boxes with supplies.

Among the organizations supported by the Chest are the Montclair Camp Fund, Kessler Institute, Helen Keller Fund for the Blind, The United Negro College Fund, The Near East Foundation, and the Save the Children Federation.

Our advisor, Mrs. Kalijarvi, has always been ready with her needed help and understanding. Thanks, Mrs. "K", from all of us.

The support given us by our advertisers and subscribers has been greatly appreciated, as Drika, our business manager, will testify.

Best of luck to next year's staff! Working on the **Kourier** is an experience you'll never forget.

SENIOR GLEE CLUB

Once again under the superior leadership of Mr. Coursen, we had an extremely successful year.

The annual Christmas Vespers were held at the First Congregational Church in Montclair. Two days later we sang for Kessler Institute, a new and enjoyable experience for all of us; here, the Aragnaks sang a few selected numbers as they did on many other occasions during the year.

With Christmas vacation over and mid-year exams approaching, thoughts of spring were already in our minds. We worked intensely for our annual spring concert with Montclair Academy. March 22nd marked the date, and selections from "Carousel" and "South Pacific" carried out the theme of our program.

Two additional concerts were among our highlights for the year.

The first concert, with Blair Academy, was held at Kimberley, and the second with Pingry was held in Elizabeth, N. J. They were both fun, and, they were successful. Dancing followed the concerts.

Singing at the graduation ceremony culminated our Glee Club season.

We all wish to express our sincere gratitude to Mr. Coursen for his excellent direction; his kind and thoughtful attitude has been inspiring to everyone in Glee Club.

The graduates certainly will miss Mr. Coursen next year. Here's hoping that every year will be as successful as the year of '55-'56.

DRAMATIC CLUB

The dramatic season was successfully ushered in by the production of the drama, **Kind Lady.** Both cast and staff labored long to make the enterprise a record success.

The first program of the season was a joint meeting of the Kimberley and Montclair Academy dramatic clubs to preview the year's schedule.

The Valiant, a one-act play featuring representatives of Kimberley and Montclair Academy, was presented at assemblies of both schools.

With the money raised last year, the club helped to finance the making of new teasers for our stage. We also sponsored the poetry reading contest.

This year, more opportunity has been given for participating in every phase of dramatics. The Senior High supplied directors for the various Junior High dramatic enterprises, a debating team was organized, and parliamentary procedure was studied. The theme of our meetings has been "Drama Through the Ages," illustrated by readings, skits, and excerpts from plays.

This very active program could not function without the ingenuity and tireless effort of our advisor, Mrs. Dallery. As the curtain falls on the seniors' last year of K. S. dramatics, we shall remember noisy meetings, pleas for dues, Brookside, luncheon at Dallery's, stage fright, props, paint, prompters, and parties. Most of all, however, we shall remember the enthusiasm and patience of our director, Mrs. Dallery.

JUNIOR STUDENT COUNCIL

A Jr. Council meeting

This June the Junior High Student Council ended its third year as the governing body of the Junior High. The council is made up of nine members; three from each of the three Junior High classes. These girls first elected a president and a secretary and then tried to find the causes and cures of the various problems that arose in the Junior High during the past year. One of the aims achieved was the encouragement of quieter study halls.

Our student council would be entirely useless without the aid of Miss Renz and Miss Bosshard, our advisors, and the firm support of the Junior High students. We wish to thank them all.

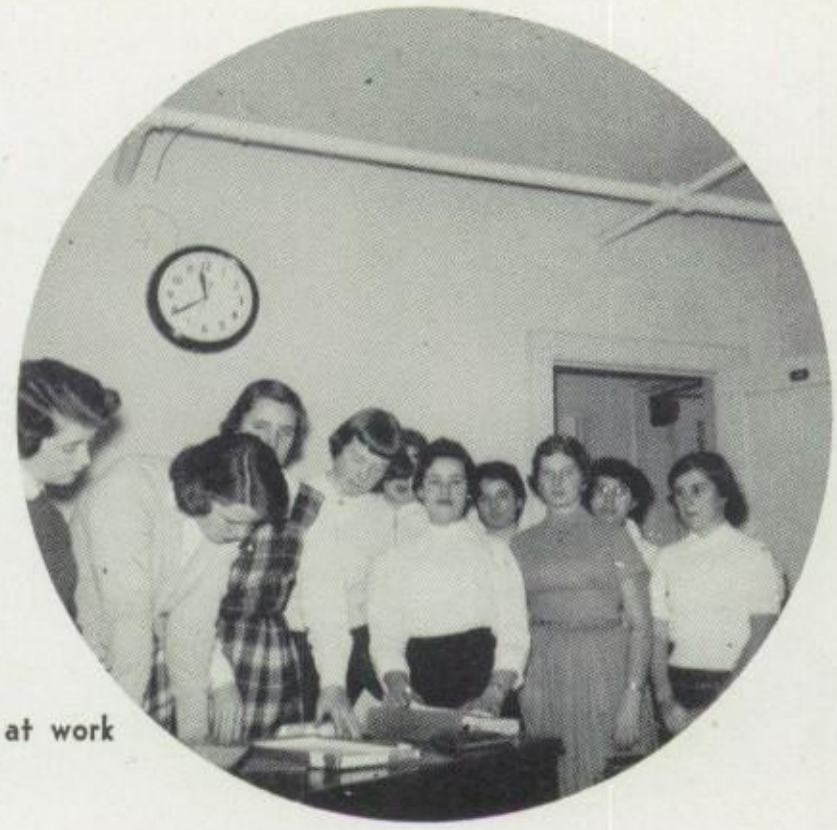
HIGHLIGHTER



Highlighter staff at work

Sigrid Lund, editor

The Junior High Paper Club began the year by joining the Scholastic Press Association of New Jersey, in which the Paper Club took third place last year.

The club has a total of fifteen members. Sigrid Lund was elected Editor-in-chief. The other officers were: Debbie Browning, assistant editor; Harriet Fischer and Cynthia Hooten, alternating secretaries; and Marianne Doran, treasurer. The faculty advisers were Mrs. Moore and Mrs. Kalijarvi.

The **Highlighter** is published four times a year. The paper includes all the news of the Junior High, plus jokes, sports, and interviews. The paper also has a page devoted to stories written by girls in grades one through six.

The Junior High Paper Club is excellent in training its members for future work on the **Kourier.**

OPERETTA CLUB

The Junior High Glee Club under the direction of Mr. Coursen is a group which cornerstones the intricacies of the side gallery chorus at Christmas Vespers; so in September we began working toward that end.

Following the Christmas holiday we started something new—working on music in three parts. This innovation was training for the ninth graders who will be eligible for Senior High Glee Club next year and preparation of an assembly program given by the Junior High Glee Club after spring vacation.

We have had to work very hard, but the group feels that we have had a very successful year. It has been fun and we are indebted to Mr. Coursen for his inspiring leadership.

MRS. DALLERY

JUNIOR DRAMATIC CLUB

The Junior High Dramatic Club, under the direction of Mrs. Dallery, had a lot of fun this year. During the first semester, all of us gave extemporaneous speeches, and some of us went to see the play, "Who Killed the Count?" at the Paper Mill Play House.

Shortly after spring vacation, each member participated in one of our four successful plays. These plays were supervised by Mrs. Dallery and directed by members of the Senior High Dramatic Club. We also had much fun participating in May Day.

Now at the end of the year, we want to thank Mrs. Dallery for all of her wonderful, patient, and helpful advice.

ATHLETIC ASSOCIATION

Creating keener interest and participation in the sports program has been the main aim of the Athletic Association. We wish to extend our sincere thanks to Miss Brock and Miss Pierce for their constant help in achieving our goal.

Julie Hedges, president

In the fall, hockey, the main sport, was enthusiastically supported. We competed with outside schools, and the Kimberley girls were particularly successful in the North Jersey field hockey tryouts with eight girls receiving honors. The number of girls placed on the North Jersey teams sets an unprecedented mark.

Swimming and basketball were eagerly received in the winter. The water ballet group put on a very successful show, and the basketball squad creditably participated in three outside games. Three other sports included in the winter program were volley ball, badminton, and bowling.

In the spring we returned outside and competed in softball and tennis. In these two sports we actively contended in many outside games.

The Athletic Association has made several changes this year. We have added two new officers to the board. These two officers are a secretary and a treasurer, who contribute toward greater efficiency in organizing the A.A.'s numerous projects.

The Kimber and Lee competitions were met with great enthusiasm this year. In changing our program of inter-class games and increasing the Kimber-Lee competitions we have tried to augment the spirit of the entire school.

In June the annual A.A. banquet was held. This banquet, during which the winning team was announced and the individual awards were presented, highlighted and closed our athletic program of 1955-'56.

Julie Hedges

Clockwise from top: Alford, Bart, Churchill, Judy McConnell, Leet, captain, Sala, Cooper.

CHEERLEADERS

This fall the cheerleaders spent many lunch periods in the gym devising new cheers. At the first pep rally the cheerleaders arrived in new uniforms which had long been needed.

With this year's pep rallies and games well attended, the cheerleaders hope that next year's attendance will increase.

Marilyn Leet

WATER BALLET

After much negotiating, many impediments, endless practicing, and, we might add, hoarse voices, the water ballet produced a spectacle—"Splashes of Broadway." Each of the ten numbers had its origin in a Broadway show. The finale, which included all thirty-five members of the water ballet, climaxed the 1956 program with a splash.

HOCKEY

Hockey managers: Linda Cooley and Nancy Prescott.

Under the able direction of Miss Brock and Miss Pierce, the hockey squads went into training this fall. We had a full schedule including games with Dwight, Kent Place, and Miss Fine's.

The Varsity players elected Betsy Hasbrouck and Henny Nelson as captains; Nancy Cornell and Carolyn Van Vleck captained J.V Nancy Prescott and Linda Cooley were named hockey manager and co-manager respectively.

The successful hockey season was fun, and we wish to take this opportunity to thank Miss Brock and Miss Pierce for their hard work and enthusiasm.

TRADITIONS

FALL FROLIC

Early in each school year Fall Frolic is presented. The skits, songs, games, and refreshments, besides providing entertainment, help to bring the members of the upper school closer together. Girls, old and new, work hard and find enjoyment in helping to make their class skits successful.

Held on October 12th, this year's Fall Frolic found the Juniors' skit, showing the different aspects of fall, the winning presentation, while the Sophomores and the eighth grade tied for honorable mention. The Sophomores presented a parody on the world hereafter, and the eighth graders acted out a skit based on **Cheaper by the Dozen.**

FATHER-DAUGHTER DINNER

An "Evening in Paris" was the theme the Sophomores selected for the annual Father-Daughter dinner held on November 10, 1955.

After a delicious turkey dinner served by Kimberley mothers, Betsy Beatty, mistress of ceremonies, welcomed all guests and introduced those seated at the head table. Other speakers included Margot Williamson, chairman of the dinner, Miss Spurr, and Mr. Robert W. Zabriskie.

Following dinner the Juniors presented their prize winning Fall Frolic skit—an interpretation of fall. After solos by Ann de Vausney and Penny Winner, the "Aragnaks" entertained everyone. In closing Mr. Howard A. Van Vleck led the fathers and girls in college songs and the school "Alma Mater."

KIMBERLEY KARNIVAL

The annual Kimberley Karnival, sponsored by the School Chest, was held in November in order to raise necessary funds. The booths were decorated in accordance with the Peter Pan theme, which provided an atmosphere of gaiety and color. Several new features highlighted the fair. A tea room, decorated as Never Neverland, attracted many customers. A fortune teller, on hand to read palms and analyze handwriting, was a very popular attraction. For the first time new books and Kimberley stationery were sold, and everyone enjoyed the games. In other booths students sold white elephants and old books, took pictures, and made silhouettes. The fair climaxed with a fashion show in which girls in both the Upper and Lower Schools modeled.

The 1955 Kimberley Karnival was successful as well as profitable, netting a greater profit than in previous years.

BUCKHILL FALLS CONFERENCE

On Friday, February 5th, Mrs. Dawson, Nancy Prescott, Linda Lovell, Sue Crook, Lynne Kenny, and Joan Keller boarded the west-bound train for Cresco, Pennsylvania, and the Buckhill Falls, Mid-winter Religious Conference.

The conference was not intended to give clean cut answers to all the questions which the delegates might have had, so much as it was intended to give a "better view and farther horizons."

The girls attended worship services, heard addresses by Dr. Napier of Yale University and Dean Webber of Union Theological Seminary, and took part in discussions on the conference theme, "Why Religion?"

Conference speakers, Dr. B. Davie Napier and Mr. George W. Webber.

VESPERS

On December 11 Kimberley ushered in the Christmas season with a vesper service in the First Congregational Church of Montclair.

The long line of students, clad in dark green choir robes, marched into the church to the traditional **Adeste Fidelis.** Reverend N. Wesley Haynes, rector of the First Congregational Church, delivered the benediction. Mr. Coursen, director and organist, led the Glee Club in several carols. The Kimberley Karolers, a small group composed of Glee Club members, sang five Christmas songs.

The Junior High bell ringers, directed by Miss Brannon, performed a medley of familiar carols.

An innovation this year was the participation of the entire upper school in many of the songs.

KIMBERLEY ACADEMY PLAY

Twice a year the Dramatic Clubs of Kimberley and Montclair Academy collaborate on a major production, usually a three act play. The members design and construct the set, supply the properties and stage furnishings, and work on sound and lights. Committees also take care of the program, ticket sales, and publicity. Many students have gone on to college dramatics from K. A. experience.

This year's winter play, given on December 19th, was **Kind Lady,** starring Anne King and Tom Aitken. As is customary after the Christmas play, a dance was held at Brookside, the music for which was supplied by Daryl Smith and his band. Mrs. Dallery, the director of this and many other K. A. plays, held a "cast on stage" party for cast members of former K. A. productions.

Janet Rodman and Don Collister had major roles in the spring play, **More than Meets the Eye,** presented on April 27th. These two productions were highlights of the extra-curricular activities this year and were enthusiastically received by the audiences.

GLEE CLUB CONCERT

In spring, the Glee Club's fancy turns to thoughts of the annual Glee Club concert with Montclair Academy. This concert, an amalgamation of the schools' glee clubs, was held on March twenty-second in Kimberley's gym. The girls, wearing white, and the boys, dressed in dark suits, sang a varied program. Featured were a duet and selections sung by small groups of girls or boys from each school. Included in the group singing was everything from soup to nuts or, if you prefer, selections from Sibelieus to a Negro spiritual. The concert terminated with the traditional strains of "Now the Day Is Over."

SPRING PROM

The red letter day was April seventh. As the couples whirled gaily amidst the multi-colored Carousel decorations to the festive strains of Ralph Stewart's Band, it was evident that everyone was having a marvelous time at the big social event of the year. The atmosphere of a carousel was reflected in the spirited paper horses which pranced around the walls, in the gay streamers and balloons, and in the pastel gowns which swished in rhythm with the diverse tunes as they were played. The three classes of the upper school were present in the senior high study hall. The side porch and neighboring rooms were also frequented during the course of the evening. Refreshments were available to quench both thirst and hunger. We left the carousel clutching the brass ring—a memento of a wonderful evening.

CLASS DAY

On June 3, 1955, the graduating class was ushered into "Candyland" by the juniors. The faithful comic book characters, Mary Jane and Sniffles told the audience how they would lead the way to this land of sweets and dreams. The faculty and all the seniors received poems and presents from one of the inhabitants of Candyland. The juniors, disguised as various types of candy, sang songs, and at the end of the program, the seniors sang their farewell song to the school.

COMMENCEMENT

Hail Alma Mater,
Hail to thy name,
Dear school we love so well
Ne'er shall we shame thy standards.
Truth, love, and honor with
Us e'er shall be—
Through all our future years,
O Mater, Kimberley.
All sing to Kimberley,
Praise ye her name.
We girls who love her well
Sing to her fame forever.
Though we at times may be
Far, far away—
Sing we still our loyal praise
To thee, fair Kimberley.

SCHOOL HYMN

We build our school on thee, O Lord,
To Thee we bring our common need;
The loving heart, the helpful word,
The tender thought, the kindly deed.
We work together in thy sight,
We live together in thy love;
Guide thou our faltering steps aright,
And lift our thought to heaven above.
Hold Thou each hand to keep it just,
Touch Thou our lips and make them pure;
If Thou art with us, Lord, we must
Be faithful friends and comrades sure.
We change, but Thou art still the same,
The same good Master, Teacher, Friend;
We change, but, Lord, we bear Thy name,
To journey with it to the end. Amen.

Hail Alma Mater, Hail To Thy Name . . .

Behind the words "The Kimberley School" stand fifty years of plans, dreams, work, and reward. The Kimberley of today now steps aside as we look back appreciatively upon the people and events that have made possible our present school.

The first day that Kimberley recalls is September twenty-sixth, nineteen hundred and six—the beginning. On that day Miss Mary Kimberley Waring opened the doors of her school to forty-six students. This first year of our school was filled with work and play and plans for development.

The following year brought the initial issues of Kimberley's first publication, **Opus Scribendi.** This paper first appeared in manuscript form. The one copy was read aloud to the girls in assembly and then left in the school library. This paper was never printed but continued to be produced in the manuscript form.

In 1909 Miss Mary A. Jordan joined Miss Waring as co-principal.

During the first few years the students organized the Athletic Association and published the first yearbook called **The Year Book.** In this year also the number of students increased considerably, and additions to the buildings were forthcoming.

In 1940 the beloved co-principals retired, and the following year the school became a non-profit organization under a board of trustees.

After the retirement of Miss Waring and Miss Jordan, the school was placed under the management of Mrs. Carleton D. Mason, who was followed by Miss Margaret M. Gallie. In 1950, Miss Ethel M. Spurr became principal.

In the spring of 1950 Kimberley moved from Plymouth Street to its present location at 201 Valley Road. Upon their arrival at the new school, the students saw freshly painted walls and large classrooms with excellent lighting and spacious blackboards. Behind the building stretched the vast hockey field and tennis courts. This exciting new building which had previously been the home of the Montclair Athletic Club, offered splendid facilities for the school. The gymnasium, one of the largest in the state, was perfect for all the activities planned. The girls soon discovered and utilized the swimming pool and the bowling alleys.

Through the years many traditions have been instituted which are still part of our annual program. Fall-Frolic, Father-Daughter Dinner, May Day, Christmas Vespers, the Kimberley-Academy Play, the Prom, and Class Day trace their origin to the early years of Kimberley. More recent additions are the Glee Club Concert, the poetry reading contest, and outdoor graduation.

Many of our extra-curricular organizations have long been a part of the school. **Opus Scribendi** became the **Kourier,** and **The Year Book** was changed to **Kimberleaves.** The Dramatic Club, the Glee Club, the Chest, the Athletic Association, and the Student Council have, over a period of years, played important roles in the smooth functioning of the school. Today we have added to our activities the Honor Court, the Water Ballet, the Aragnaks, and other groups.

Perhaps the greatest achievement during Kimberley's first half-century has been the high scholastic standards maintained by her students. A large per cent of the alumnae have gone on to colleges throughout the country and excelled there and in their careers.

Thus fifty years have passed since the beginning of Kimberley. During these years the school has been constantly progressing in the direction of the ultimate goal; the rest lies in the future.
